4. Does the facility have an established process for receiving and considering feedback and suggestions from the community? ☒ Yes ☐ No

The executive director is a member of the Chamber of Commerce and actively seeks feedback from parents and the surrounding community.

5. What is the average daily attendance?

100-125

6. What is the maximum capacity?

250-300

C. MONITORING SUMMARY

1. Is the project in compliance with the contract requirements? ☒ Yes ☐ No
If no, is a Corrective Action Plan needed? ☐ Yes ☐ No

2. Does the project have any technical assistance needs? ☐ Yes ☒ No

3. General Comments/Observations

The facility has made a variety of positive improvements since the last monitoring visit. The facility has been painted and is now well maintained. Additionally, the facility was able to purchase an adjoining parcel of land to expand their grounds which will allow the development of an outdoor fitness center. The facility has also added a computer lab. The facility has plans to develop a new separate teen center on site. It should be noted that the Cathedral City Boys and Girls Club provides the use of their gym to the local Calvary Christian school for volleyball and basketball leagues.
